

Regulations for Establishing the Practicum Committee of the College of Creative Design, Asia University

107.02.26 The 1st academic meeting of the second semester of the 106th academic year passed the decision

113.03.13 The second academic meeting of the second study in the 112th academic year was revised and approved

Article 1: The College of Creative Design at Asia University (hereinafter referred to as "the College") aims to cultivate practical and employable talents, enhance students' workplace adaptability and competitiveness, and achieve the goal of "employment upon graduation, and readiness for work". The following regulations (hereinafter referred to as "the Regulations") are created in accordance with Article 3, Article 6, and Article 7 of the "Implementation Measures for Student Practicum at Asia University", to establish the College's Practicum Committee.

Article 2: Practicum courses are categorized into domestic and overseas internships, and are distinguished by the nature of the courses as follows:

1. Credit-bearing internship courses (including summer/winter breaks, semester, or year-long internships).
2. Internships under industry-academic collaboration projects.
3. Internships under the Ministry of Education's "Dream Pursuit Project" (Overseas Internship Program) and the "New Southbound Dream Pursuit Project" (Overseas Internship Program in Southbound Countries).
4. The internship program subsidized by government agencies such as the Ministry of Labor.
5. Internship opportunities under the Ministry of Education's "Building Dreams at Sea" and "New Southbound Learning" initiatives.

Article 3: In order to implement the quality of practical learning, our college has established a college-level "Student Practical Learning Committee" (hereinafter referred to as the Association) to promote unit.

Article 4: The association is composed of seven to nine people, including deans, department heads, teachers, student representatives, or outside experts, scholars, and industry figures. The dean of the college serves as the chairman of the committee, and the department chairperson serves as an ex-officio member. In addition to holding regular meetings, this association shall also Extraordinary meetings shall be held for grievances, disputes or urgent cases.

Article 5: The responsibilities of this association are as follows:

- (1) Integrate the planning of internship courses on and off campus for each department.
- (2) Supervise the promotion of practical learning courses on and off campus in each department.
- (3) Review the effectiveness of practical learning in the college and various departments.

Article 6: Departments recommending students for internships under the Ministry of Education's "Dream Pursuit Project" and the "New Southbound Dream Pursuit Project" should

comply with guidelines and regulations for encouraging domestic colleges and universities to send students abroad for study or professional internships.

Article 7: The promotion of student off-campus internship-related activities is carried out in accordance with our school's regulations for domestic and international student internships.

Article 8: During Committee meetings, relevant personnel may be invited to attend for reporting or clarification purposes.

Article 9: These Regulations shall be implemented upon approval by the College Board Meeting and shall be similarly revised when necessary.
